DEPARTMENT OF THE INTERIOR
Office of the Inspector of Ranches

Calgary, Dec. 1st, 1914.

Sir;

With reference to your File No. 509912 T&C and the petition signed by Mr. James Patterson and three others requesting the opening to entry of Sections 22 and 23, North West quarter of Section 26, Section 27, and the North West quarter of Section 34, Township 25, Range 15, West of the 4th Meridian, which lands are covered by Mr. George Black's lease of Ranch No. 7610. I beg to say that I inspected this land and found that Sections 22 and 23, North East quarter of Section 26 and Section 27 could be farmed, if there was sufficient moisture to raise grain, but at the present there is practically no grain raised in this district, and where grain was grown it was on summer fallow, and it only yielded 12 bushels to the acre, where grain was put in on spring plowing, it was practically a failure.

Mr. Black lives on the North west quarter of Section 34, he has 80 head of cattle over one year old, and 14 head of horses, and had to buy all his hay for winter feed from people living in the Sand Hills, where there was a good growth of hay this year.

Mr. Black made a mistake in his locations and built on the North West quarter of Section 34 instead of the North East quarter of the same section, which he recently purchased from the Department. I would recommend that he be allowed to exchange these quarters.

I would not advise the cancelling of this lease, or the giving of two years' notice until another year, in

order

The Inspector of Ranches, in his report, states that Mr. Black made an error in his location when he recently purchased the North East quarter of Section 34, Township 28, Range 15, West of the 4th Meridian, from the Department, as he has his buildings erected on the North West quarter of that Section located in his ranche. The Inspector recommends that he be allowed to transfer the sale from the North East to the North West quarter and that the former be included in his lease. There would not be any objection I think, as far as including the North East quarter of Section 34 in the lease, in the event of its being decided to cancel the sale of the land to Mr. Black and transferring it to the North West quarter of Section 34, provided the land is reported to be unsuitable for agricultural purposes, but of course the transferring of the sale is a matter that cannot be dealt with in this branch.

MEMORANDUM--Mr. York.

In the memorandum on this file dated the 11th May last, I stated that a petition having been received in the Department requesting the opening to entry of Sections 22 and 27, the North West quarter of Section 24, Quarter 27, and the North West quarter and South half of Section 14, Township 28, Range 15, West of the 4th Meridian, half under lease by Mr. George Black of Parr, Alberta, in Lease No. [illegible], the Inspector of Parches (Taylor) reported that Sections 2. and 27 were good farm lands and that the lessee [illegible] part of steps, and the Inspector was of the opinion that the lease should be cancelled. It was decided that a reinspection of the ranche should be made by the present Inspector of Parches at Calgary, and the report of the present Inspector has now been received. This report states that Sections 22, 23, 27 and the North West quarter of Section 26 could be farmed if there was sufficient moisture, but at the present time there is practically no grain raised in this district, and where grain was grown it was practically a failure. The Inspector states that he would not advise the cancelling of the lease or the serving of two years notice of cancellation on the lessee until another year, in order to see what success there is in farming next year.

Recommended

In view of the Inspector's report I suppose it is not the intention to take cancellation proceedings against any portion of the leasehold at the present time.

Memorandum:

In May, 1909, Mr. George A. Black was granted to purchase, at the rate of $3.00 an acre, under the grazing regulation, the S.W. of Section 14, Township 8W, Range 15, West of the Fourth Meridian.

There is an overdue balance of $45.43 subject to interest at the rate of 5% per annum from the 16th November, 1909, to the date of payment.

Mr. Black has made application to have the said quarter section exchanged for the N.E. of the same section (land under lease to him) on which, through error, the buildings had been erected and now that he is now in a position to complete payment.

The Inspector of Surveys, in a report bearing date the 4th December, 1916, recommends that the exchange be carried out and the Dominion Land Surveyor was instructed that the N.E. could be included in the lease in lieu of the S.W.

Under the circumstances, I beg to recommend that the exchange be authorized.

Respectfully submitted,

AT THE GOVERNMENT HOUSE AT OTTAWA

SATURDAY, the 4th day of June, 1921.

PRESENT

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

Thereas the Soldier Settlement Board of Canada has reported to the Minister of the Interior that in case of any settler on unpatented Dominion land upon which a charge has been imposed, constituted or created under The Soldier Settlement Act, no patent may be issued to the settler while there is owing by him to the Board any sum or sums of money as a result of any sale made to him by the Board or otherwise, and that the said provision was incorporated in the Act for the purpose of protecting the Board's security;

AND WHEREAS several cases have come to attention of such settlers on unpatented Dominion lands, who, by reason of physical disability or otherwise, find it impossible to continue in occupation of the land, but who, although they have complied with the conditions of their entries, are unable to secure Letters Patent by reason of the charge created in favour of the Board as aforesaid, and as a result are not in a position to dispose of the land with a view to discharging their indebtedness to the Board, although they have under the Act full prepayment privileges.

AND WHEREAS the Board recommends that it would be in the interests of the settler as well as the Board's security to transfer the land of the settler in such cases to the Board, under the provisions of sub-section (1) of Section 6 of the Soldier Settlement Act, 1919, which provides that the Minister may, at the request of the Board, for the execution of any of the purposes of the Act, reserve, or, with the approval of the Governor in Council, transfer to the Board any dominion lands which are under the Minister's administration;

THEREFORE His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior and having regard to the said section 6 of the said Act, is pleased to approve and doth hereby approve the following regulations under the provisions of Section 63 of the said Act, which provides that

Claim of Guillaume Desjarlais.

Mr.Desjarlais' contention was that he had purchased the rights of the Messrs.Calahaison to these lots, and that he was, in consequence, entitled to the land as a free grant.

The decision in this matter was, (Assistant Deputy Minister's), that, before Mr.Desjarlais' claim to these lots as a free grant might be recognized, a report should be obtained from the Agent of Dominion Lands at Grouard. (My memorandum of the 7th July last, marked).

The Agent now states that from the information obtained he is satisfied that Mr.Desjarlais is entitled to the lots as a free grant.

The Agent adds that Mr.John Calahaison informed him that Mr.Desjarlais had purchased his and his brother Charles' rights to the lots.

Regarding the petroleum and [illegible] covering the parcel in question, I may say that in view of the reservations to be made in the patent thereof, this need not affect the sale.

I have to request that you will cancel the application of William J. Brown, and the grant issued thereunder, for the following parcel. The land is available for entry, but it appears that the applicants have filed a caveat that they are the joint owners of legal subdivisions 1, 2, 7, and irregular legal subdivision 2 of the same section, shown on the sketch attached in red.

Unless the Soldier Settlement Board or the Soldiers' Civil Re-establishment Branch offers any objection to the application being considered, and the Surveyor General states that the lake affecting the land in question can be classed as a permanent lake not liable to become dry, you may enter the land available for disposition.

Memorandum:-

6th December, 1911.

Re S.E. ¼ of Sec. 30--59--11, W. 4th M.

On the 15th June, 1910, the Agent at Edmonton notified the Department that he was reserving the quarter section above mentioned until the 16th June, 1911, on behalf of Mr. E. Hill, a minor.

Subsequently, however, it was ciel ed that there was a squatter residing upon this land, and the Deputy Minister issued instructions that a homestead inspector should investigate and report regarding this.

The report when received showed that one Walter Campbell, Clarkville, Alta., had been in continuous residence upon this land for about five years, and had made improvements thereon to the value of about $230.00.

Minister, he issued instructions that the reservation on behalf of Hill be cancelled, and that Mr. Campbell be called upon to explain why he did not apply for entry for this land.

On the case being submitted to the Deputy

In this connection please see Mr. Trudel's memorandum dated the 8th March, 1911, and the Deputy Minister's memorandum dated the 9th idem.

It was subsequently ascertained that this squatter was not entitled to make homestead entry on his own behalf; he claimed that he was holding the land for entry for his son.

This matter was again referred to the Deputy Minister, and on the 10th October last he ruled that Mr. E. A. Campbell, the son of the squatter, should be allowed to make entry for this land.

Advice has now been received from the Agent that Mr. E. A. Campbell has not availed himself of the privilege offered.

Under these circumstances, is Mr. Campbell to be granted a further extension of time within which to make the entry in question? Or should the land be posted for 10 days and then disposed of to the first eligible person applying therefor?

I may.

MEMORANDUM:-

Re your memorandum of the 10th of Oct.,1911.

The facts of this case are stated in a memorandum of Mr. Perrin, which show that J.N. Campbell has not availed himself of the opportunity of making entry, and I presume that it is not intended to give him an indefinite extension.

I would suggest that the Homestead Inspector be instructed to call upon Mr. Campbell and impress upon him that unless within thirty days he makes entry, the land will be posted and disposed of under the regulations, in which case he will have to vacate the land or be treated as a trespasser.

Gentlemen:

Re: Nykolai Symyliuk

We enclose a copy of a letter written by you to the above party on April 22, 1954. It has now been established that the Nykolai Symyliuk referred to in the third paragraph is not our applicant but a cousin or uncle who farmed about four miles away. Our applicant, however, has stated that he originally took out a homestead adjoining or very close to his father's homestead on the N.W. 10-58-15 W. 4th Mer. but subsequently abandoned it without ever proving up.

It is wondered if with this information you could make a further search in order to locate a record of his application for homestead entry.

I have your letter of the 15th of April, 1954 relative to your enquiry as to your birth certificate and age.

In reply I wish to inform you that one Wasyl Samaluk applied for homestead entry on the 27th of October, 1908, for the above-mentioned land, and, in his sworn statement dated the 21st of November, 1910, in support of his application for Patent for the said land, he gave his age as 60 years. He was naturalized on the 29th of November, 191 . He also stated that his family consisted of his wife and three children. Their names or ages are not shown in our records.

We also have a record of one Nicolai Symyliuk having applied for homestead entry on the 4th of January, 1906, for the S.E.¼ of 15-58-16 W.4th Meridian, and, in his sworn statement dated the 22nd of June, 1909, in support of his application for Patent for the said land, he gave his age as 26 years.
